Chapter 78: Enemies-Turned-Allies: The Lesser Absolutes' New Army Allies

In the wake of fierce battles and shifting allegiances, the forces of the lesser Absolutes—Lumiel, Umbrios, and Drakion—have garnered the support of former enemies. These new allies have pledged their loyalty to the Triad and, in return, contribute significant forces to their respective armies.

---

1. Lumiel's Allies (Army of the Light)

Solari Defenders (Former Enemies):

Initial Total: 10 quadrillion

Losses: 2 quadrillion

Remaining: 8 quadrillion

These formidable warriors, once under the rule of the Astral Conqueror, have joined forces with Lumiel after witnessing the Triad's power and wisdom.

Stellar Sentinels (Former Enemies):

Initial Total: 3 quintillion

Losses: 700 quadrillion

Remaining: 2.3 quintillion

The former forces of the Nebula Queen, Stellar Sentinels, have pledged their allegiance to Lumiel, contributing massive celestial fleets.

Total for Lumiel's Allies:

8 quadrillion + 2.3 quintillion

---

2. Umbrios' Allies (Shadow Legion)

Abyssal Warriors (Former Enemies):

Initial Total: 5 quintillion

Losses: 1.5 quintillion

Remaining: 3.5 quintillion

The Abyssal Warriors, previously under the control of the Void King, have joined forces with Umbrios after their former lord was dethroned.

Duskborn Shadows (Former Enemies):

Initial Total: 1.5 quadrillion

Losses: 500 trillion

Remaining: 1 quadrillion

The Duskborn Shadows, shadowy beings with great stealth and precision, have defected to Umbrios after their defeat at the hands of the Scepters of Dominion.

Total for Umbrios' Allies:

3.5 quintillion + 1 quadrillion

---

3. Drakion's Allies (Draconic Host)

Tyrannical Wyrms (Former Enemies):

Initial Total: 2 quadrillion

Losses: 400 trillion

Remaining: 1.6 quadrillion

Once loyal to the Draconian King of Tyranny, the Tyrannical Wyrms now serve Drakion after their king fell in battle, recognizing the Triad's superior strength.

Crimson Drakes (Former Enemies):

Initial Total: 1.2 quintillion

Losses: 500 quadrillion

Remaining: 700 quadrillion

These dragonkin, once in opposition to Drakion's forces, have been incorporated into the Draconic Host after witnessing the fall of their own kind at the hands of the Scepters of Dominion.

Total for Drakion's Allies:

1.6 quadrillion + 700 quadrillion
